WASHINGTON (AP) — President Eisenhower said today he deplores the use of federal troops to carry out federal court orders in civil rights cases.

But the President told his news conference the fundamental rights of all Americans would be endangered by any successful defiance of a court order.

Eisenhower made those comments in response to question concerning his attitude toward recent school integration developments in Virginia and a statement by Gov. Leroy Collins of Florida in a magazine article that Collins supports continued segregation in that state.

Eisenhower was asked if he intends to follow "the Little Rock pattern" if he encounters further defiance of court orders in school and other integration matters.

The reporter was referring to his action in sending troops into Little Rock, Ark., to enforce a federal court order for integration in the Central High School there.

Eisenhower asked the reporter what was meant by the Little Rock pattern. When the reply was the use of troops to enforce a court order, the President said that's the point.

Eisenhower said he didn't send troops because of some statement made by a governor. He said there had been mob interference in the execution of a court order and then the statement by Gov. Orval Faubus that he would not intervene to uphold the federal court order.

Eisenhower said he deplores the need for the use of troops anywhere to get American citizens to obey court orders. But he said he would not let the room would be secure in his basic rights if there were successful defiance of court orders.

## Fooks to Sell Rest of His Herd

CAMDEN, Ark. (AP) — B. T. Fooks will sell his herd of more than 650 head of registered Angus cattle at auction today and tomorrow. Fooks, who established the herd in 1950, also plans to sell his 1,400 acre farm near here. He said the farm, including all equipment, will be sold privately.

## French Send Salan to Take Over Algeria

PARIS (AP) — The French government today ordered Gen. Raoul Salan to take over command of Algeria from an insurrectionist junta led by a tough paratrooper officer.

In its first official action since being installed early today, the new cabinet of Premier Pierre Pflimlin also banned all public demonstrations throughout France and in Algeria.

Salan, commander of all troops in Algeria, was ordered to take full command in the North African Colony from paratrooper Gen. Jacques Massu.

Massu demanded that President Rene Coty put wartime hero Gen. Charles De Gaulle at the head of a government outside politics. This would be a military dictatorship.

The cabinet told Salan to maintain law and order in the Algerian capital of Algiers and to guarantee the protection of lives and property.

Coty had ordered the army in Algeria to call off its insurrection against Premier Pflimlin's government.

## Foreign Aid Funds Could Have Bad Time

WASHINGTON (AP) — Violence in Venezuela toward Vice President Nixon thrust an emotional new element into last round house scrapping today over a \$3,000,000,000 foreign aid bill. But Speaker Sam Rayburn (D-Tex.) said he did not think it would sway many votes.

"At least, I certainly hope not," Rayburn told newsmen. "I don't see what the connection would be."

The measure handily survived money-cutting attempts Tuesday, and a final vote was in prospect late today.

Defeat of the major funding bill amendments Tuesday brought predictions the House would pass in fact the overseas aid bill for next year.

## Saratoga to Graduate 17 Friday Night

Millard Hall, division superintendent of Ideal Cement Co., will address the Saratoga High School graduating class at 8 p. m. Friday in the school gymnasium.

Members of the class include James Ernest Arnold, president and salutatorian; Don Curtis McGee, vice-president; and vice-dictator; Linda McKinney, secretary and treasurer; David Brown, Lee Harris Chism, Mary Ellen Dewbre, Ida Jo Dodson, Tommy Joe Ellis, Alice Inez Hicks, Tommy Leon Hughes, Wendell Ray Mobley, Lovell Phillips, Buddy Reed, Virgil Sanders, Barney Joe Stanton, Roxie Smith and Mack Williams.

Baccalaureate services were held last Sunday with Mason Harris, Church of Christ minister, delivering the sermon.

## Charges Filed Following Wreck

A wreck yesterday at 4th and Harvey brought charges of hazardous driving and improper brakes against Goble Williams. The second vehicle involved was owned by Denver Hornaday. City Police said the Hornaday auto had faulty brakes.

WONDERFUL RECEPTION — Rep. Coya Knutson (R-Minn.) who rejected the public plea of her husband Andrew that she quit Congress and come home, is shown at her desk at the Capitol in Washington after a visit to Minnesota. ## Open House for Nunn-Pentecost at 901 E. Third

Nunn-Pentecost Motor Co. today announced the addition of Dodge motor cars and Dodge trucks to its dealership line and invited the public to an open house party to inspect its new home in the block-long property at 901 East Third St. all day Thursday.

The dealership which for many years was established at Third and Walnut Sts. has just completed removal to the former Archer Motor Co. plant and now exhibits the 1958 models of Imperial, Chrysler, Dodge and Plymouth motor cars, and Dodge trucks.

The addition of Dodge motor cars and Dodge trucks to the Imperial-Chrysler-Plymouth dealerships permitted by the Chrysler Corporation, J. N. Pentecost and Claude Nunn said today.

The Hope men also reported that a visiting Chrysler Corporation representative told them their new East Third St. setup is one of the best in the entire Memphis sales zone.

The property at 901 East Third St. is a block long, extending from Greening to Bonner Sts., with the sales shop building at the Third and Greening corner, and a vast paved parking lot extending east by the Dairy Queen at Third and Bonner.

A Gulf service station in the center of the property is under lease to Crayton McDowell.

The entire Nunn-Pentecost Motor Co. organization is comprised of veteran Chrysler Corporation salesmen and mechanics, most of them having seen years of service with the late B. R. Hamm, one of the pioneer Dodge dealers of the South.

J. N. Pentecost went with the B. R. Hamm Motor Co., Dodge dealer (later Dodge-Plymouth and Dodge Truck dealer) in 1933 and became part owner in 1940. Mr. Pentecost has been in the motor business for 30 years, except for one year as Hempstead County Treasurer.

Claude Nunn joined the Hamm Dodge dealership in 1924, and was with it continuously until 1931 when he joined the Sinclair Refining Co. as local distributor. In 1944, Mr. Nunn in partnership with Ray McDowell opened the Chrysler-Plymouth dealership at Third and Walnut Sts. This partnership was changed in 1950 when Mr. McDowell sold out to Mr. Pentecost and the firm became Nunn-Pentecost Motor Co.

Following are the members of the Nunn-Pentecost Motor Co. organization: Sales staff — Harry Phillips, with 12 years motor sales experience, starting with the Hamm organization.

Parts & Service — Ed Schooley, 12 years with the present firm. Bookkeeper — Miss Jackie Nell Cleaver.

Shop — Henry Dodson, 23 years, starting with B. R. Hamm; and Joe Harmon, 15 years, also a starter with Mr. Hamm.

Laboratory and Wash Department — William Smith, who started with Mr. Hamm 30 years ago; and James Bostic, with 15 years experience.

## Group Seeking Aid to Offset Flood Bill Veto

WASHINGTON (AP) — The National Rivers and Harbors Congress opens its annual convention today with a high-priority objective of rallying support to the recently vetoed 1 1/2 billion dollar water projects authorization bill.

Rep. Overton Brooks (D-La.) president of the congress, has been outspoken in his criticism of President Eisenhower's veto of the measure.

"Efforts are being made to strangle and liquidate the orderly development of our water resources," Brooks said. "The National Rivers and Harbors Congress will resist these moves at every step."

The convention will bring to Washington delegates from virtually all 48 states. It will consider also the cutback in expenditure of funds appropriated for water development works and the presidential ban on starting new water projects.

Brooks said the convention will proceed on the belief that National defense and internal economic development should proceed hand in hand.

## U. S. Ship to Tripoli to Pick Up Americans

By TOM MASERSON

BEIRUT, Lebanon (AP) — The U.S. Embassy sent a ship today to pick up Americans in Tripoli. Most are members of the Presbyterian mission. He said they are not being ordered out but have been advised to leave.

Antigovernment violence meant while moved into its fifth day in Lebanon. A bomb exploded harmlessly in front of the U.S. Embassy here.

U.S. Ambassador Robert McClintock told reporters there are 53 Americans in Tripoli. Most are members of the Presbyterian mission. He said they are not being ordered out but have been advised to leave.

McClintock emphasized the situation is serious in Tripoli, where a U.S. Information Agency office was snatched Saturday at the outset of demonstrations.

Lebanese authorities evacuated Americans from the Bekaa valley in eastern Lebanon as bombing and shooting and strikes swept the country.

Lebanese armored cars escorted eight Americans and two Cyriot girls into Beirut from the Bekaa valley on the advice of the U.S. Embassy.

Six Americans were connected with the American University Agricultural School. A University staff member, Don Steele, of Neph, Utah, said there had been no attacks on the university drop early.

Steele was accompanied by his wife, Nancy, his 2 year old son Paul and his aunt Ellen from Salt Lake City.

The government of President Camille Chamoun was reported standing defiantly against the shooting, burning, mobs.

The disturbances that have racked the tiny eastern Mediterranean republic subsided again into sporadic shooting during the curfew Tuesday night. With the lifting of the curfew, shooting increased and mobs returned to the streets.

The death toll in rioting in Beirut since Monday reached an estimated 20 persons. It was expected to go higher. At least 32 other persons have been reported killed since the trouble began Saturday in the north Lebanese port of Tripoli.

Rioters led by supporters of the U.S. Embassy were reported to have been killed by the Lebanese government.

## Doughboy Industries Vote Against Union

WEST MELENA, Ark. (AP) — Workers at Doughboy Industries plastic division plant here yesterday voted 237-79 against representation by the International Lady Garment Workers Union.

It was the first vote on the question of unionization of the plant which manufactures plastic toys, swimming pools and other plastic items.

Doughboys, with headquarters at New Richmond, Wis., opened its West Helena plant last summer. The election was conducted by the National Labor Relations Board.

## Group Seeking Car Insurance Hike Appeals

LITTLE ROCK (AP) — An organization which seeks a 20 percent boost in Arkansas automobile liability rates has appealed its case to the Pulaski Circuit Court.

The National Bureau of Casualty Underwriters today asked Judge Guy Ansler to review a state Insurance Commission refusal of the requested increase.

Veteran court observers said it was the first time they remembered an appeal from a commission ruling.

The organization represents stock concerns which handle about 20 percent of the auto insured business in Arkansas.

Insurance Commissioner Harvey C. Cobb ruled in February that increases granted in 1956 and 1957 had not been in effect long enough for determination of potential profits. This was the basis of the rejection.

In asking for the increase, the underwriters cited higher repair costs, larger awards by juries in death and injury cases and bigger unit costs.

## Two Claim \$8,000 Found in a Garage

FORT SMITH, Ark. (AP) — Two persons laid claim today to \$8,000 an oil company geologist found while cleaning out his garage Saturday.

Both filed suit in chancery court here for the money. Henry C. Fisher, 29, found in a jar filled with rice.

Mrs. R. H. Fisher, no relation to the man who found the money, said in her suit the money belonged to her late husband, Walter E. Scott Jr.

Scott's mother, Mrs. Joyce Scott, agreed but she said two-thirds of the money should go to Scott's son Ronald Lee, and a third to Mr. Fisher.

Meanwhile, the money is in the hands of Chief of Police Herbert Brook to whom Fisher turned it over shortly after he found it.

Scott who died March 11, 1955, lived in the house Fisher moved into shortly after coming here from Asheville, N. C., in February.

The suit filed by Scott's mother contends Scott put the money in the garage a few days before he died.

## Vice President to Leave Under Guard Tonight

By STANFORD BRADSHAW

CARACAS, Venezuela (AP) — Vice President Nixon, object of a mob's howling wrath Tuesday, assured President Eisenhower by telephone today that all is calm in Caracas.

Eisenhower sent 1,000 Marines and paratroopers into the Caribbean as a precaution and followed up with a telephone call to Nixon at the U.S. Embassy's residence this morning.

Nixon assured the President everything is under control. But U.S. Air Force guards encircled the ambassador's residence and hundreds of Venezuelan police and troops patrolled surrounding roads.

Authorities made all-out preparations to assure Nixon's safe departure tonight as the vice president conferred with Venezuelan officials at the ambassador's residence.

Nixon will ride in a bulletproof limousine sent by Junta President Wolfgang Larrazabal. The route to the airport will be cleared of traffic. Armored cars and tanks will be stationed at intersections.

Eisenhower sent the U.S. troops to bases in Cuba and Puerto Rico three hours flying time from Caracas Tuesday. The Defense Department said they were available if Venezuelan authorities sought assistance, but the Junta said it would handle the situation.

Venezuelan newspaper con demned the attacks on Nixon. The Communist party declared the vice president provoked the riots by coming to Venezuela.

Some papers blamed the rioting on followers of ousted ex-dictator Marcos Perez Jimenez.

Nixon refused to cut short his stay in Venezuela but decided against any more public appearances.

In a show of force President Eisenhower meanwhile rushed 1,000 Marines and paratroopers to U.S. bases in Cuba and Puerto Rico, only three hours flight time from Caracas. The U.S. Defense Department said they were available if the Venezuelan government sought assistance, but the country's ruling military junta showed no inclination to ask for such aid.

Junta chief Rear Adm. Wolfgang Larrazabal gave assurance there would be no repetition of the riots in which spilling, stoning youths — apparently urged on by Communist agitators — injured six members of the Nixon parties and four Venezuelans greeting them as they arrived from Bogota.

Nixon was unhurt but told reporters he was "covered with spit from head to foot." He added that one of the mob spat directly in Mrs. Nixon's face at the airport.

Windows in the cars were broken, showering the party with glass. The cars were dented and covered with spit and eggs.

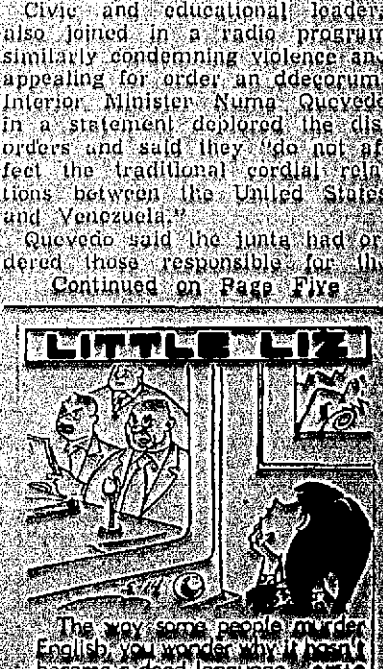

Larrazabal expressed deep regret. He said orders had gone out to take strong measures against demonstrators, but that he would never order guns turned on Venezuelans. Larrazabal's car also was stoned as he returned from a call on Nixon at the embassy.

Leaders of Venezuela's three main political parties made a nationwide broadcast Tuesday night condemning the anti-Nixon riots and urging the Venezuelan people to conduct themselves with serenity and dignity.

Civic and educational leaders also joined in a radio program similarly condemning violence and appealing for order and decorum. Interior Minister Numa Quevedo in a statement deplored the disorders and said they "do not fit the traditional cordial relations between the United States and Venezuela."

Quevedo said the junta had ordered those responsible for the disorders to be punished.

## Davies Children Share in Estate

WASHINGTON (AP)—Joseph E. Davies, former U.S. ambassador to the Soviet Union who died Friday at the age of 81, left a big share of his estate to his three daughters and his first wife, Mrs. Evelyn K. Davies.

His will was filed Tuesday. Unofficial estimates put the value of the estate at several million dollars.

Davies did not bequeath his home, Tregaron, to the federal government. The will said he had been told that the government would be unlikely to accept it.

The will stipulates that Tregaron and part of the 20 acres surrounding it is to be sold. Proceeds from a portion of the sale will go to the Joe Davies Scholarship Fund and the National Episcopal Cathedral on a 50-50 basis. The scholarship fund aids needy students at the University of Wisconsin.

## Army to Draft 10,000 in July

WASHINGTON (AP)—The Army issued a draft call Tuesday for 10,000 men in July. That's the same quota as was announced for June. Monthly Selective Service quotas, starting in February, went to 13,000 and the Defense Department said that level would probably be maintained throughout the year. On April 22, however, the Pentagon dropped the June quota to 10,000, saying greater numbers of young men were enlisting voluntarily.

## DOROTHY DIX

Wage Earner Wants a Little Homework

Dear Dorothy Dix: I have been working ever since I was married. Now I want to give up my job because it interferes with my house work and keeps me from having a baby. However, my husband, who makes a comfortable living for us insists that I continue work. How can I convince him that I'd be a better wife by staying home?

DOROTHY DIX: Resign your job. When hubby sees how much more comfortable he is with you at home, how much better you are as a contented housewife than a nerve-racked office worker, he will admit you were right.

Dear Dorothy Dix: You often have letters asking about the possibilities of a happy marriage where a large age difference is involved. Here's my story. I married a girl half my age—she was 17. I was 34. We now have three children and are the happiest family in the world.

Dear A. H.: I always point out that emotional maturity is more important than actual calendar years and love has conquered just about every age obstacle there is. However, the chances of happiness are greater if a boy and girl are about the same age.

Dear Dorothy Dix: I'm a girl of 15 with a fine reputation. One of my best friends recently moved to another city and has invited me to spend a weekend with her. In spite of the fact that my folks know her parents, I'm not allowed to go and my parents give a very flimsy reason. I can't see why they don't trust me.

Dear Theresa: Parents are always reluctant to see their children spend a night away from home for the first time. Give them time to get used to the idea, have your friend's parents write your folks inviting you, and in time they'll relent.

Dear Dorothy Dix: I'm writing on behalf of a friend of mine, a widower of 80. Since his wife's death he has practically been a recluse and now his doctor has suggested that he get out, mingle with people and make new friends. I know a nice lady about 20 years younger than he and wonder if it would be all right to introduce them. Would it be a mistake if they got serious?

Dear Jack: Certainly there would be nothing wrong in making the introduction. They are both adults of good intelligence. Let them take it from there and be responsible for their own actions.

Send your problems to Dorothy Dix. Be sure to enclose a stamped, self-addressed envelope, and address her care of this newspaper.

President Nasser of the United Arab Republic seek to overthrow Chamoun and his government. Mobs have wrecked two U.S. consular Agency libraries in Beirut and Tripoli.

Officials said the bomb thrown at the U. S. Embassy was caught but was not immediately identified.

Highly reliable sources said Chamoun has told his government.

"I shall stay in office. I won't budge."

His defiant statement reported Tuesday night at a palace meeting and 16 members of the 66-man Parliament.

The Parliament, which has a majority of Chamoun supporters, has stood behind him in the disturbances.

The government's stiffening attitude apparently stemmed from its charges against the U.A.R. of massive interference in Lebanese affairs. Foreign Minister Charles

## Arkansan Okayed for FCC Committee

WASHINGTON (AP)—The Senate Commerce Committee today approved the nomination of John Cross of Eureka Springs, Ark., to be a member of the Federal Communications Commission.

Cross, a native of Birmingham, Ala., was nominated for the remainder of the term of Richard Mack of Florida, which ends July 1, 1962, who resigned after a congressional investigation.

The nomination now goes to the full Senate.

## Ark-La-to-Expend Into Industry

EL DORADO, Ark. (AP)—The Arkansas-Louisiana Gas Co., which recently entered the manufacturing field, plans further expansion along that line as a move to keep utility rates down.

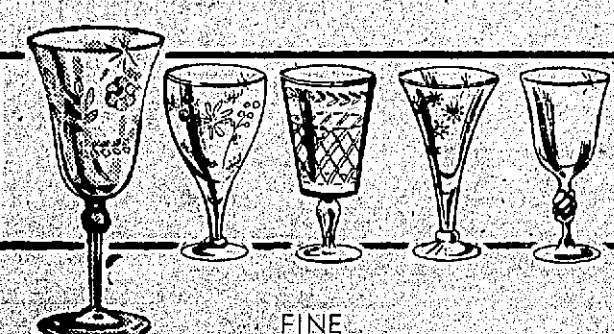

W. R. Stephens, board chairman and president, said yesterday at the company's annual stockholder meeting that entry into the oil conditioning, cement and chemical manufacturing field had helped prevent utility rate increases. He said further expansion is planned. Stephens and all other officers and directors were re-elected for another year.

THE STORY: Milo March plans to fly to the Montean Republic to search for a manuscript, insured for \$75,000 which is missing. In his office a woman caller, pulls a pistol from her purse and announces she is going to kill March. March flips a cigarette into her purse.

## CHAPTER IX

She gasped and looked down. I stepped in quickly and put my hand over her hand and the gun, pushing it to one side. I tried to squeeze down hard enough so that she couldn't fire it, but wasn't quick enough. The little gun bucked as it went off. I heard the bullet hit the desk back of me. There was a sharp burn on my wrist from the gases from the muzzle. I twisted the gun from her hand and stepped back.

Senate Hears  
Request for  
Flood Money

WASHINGTON (AP)—A bipartisan delegation repeated to a Senate group today a request that Congress approve \$6 million dollars this year for Arkansas River Basin projects in Arkansas, Oklahoma and Kansas.

This request would nearly double President Eisenhower's budget recommendations for \$2 million and would fracture his "no new starts" policy.

Headed by Clarence F. Byrns, Fort Smith, Ark., editor, the big delegation numbering 90 — one of the biggest groups to testify this year — outlined its requests yesterday to a House Appropriations Subcommittee.

The group asked a big stepup in funds for three key projects in the Arkansas River development program, a program which includes a nine-foot navigation channel upstream to near Tulsa.

Those are the Eufaula and Key-stone Dams in Oklahoma and the Dardanelle in Arkansas.

Where Eisenhower recommended \$18 million dollars to continue construction on the three dams, the delegation asked \$35 million dollars.

The group also asked funds to start construction of several upstream dams in Kansas and Oklahoma.

In his budget to Congress Eisenhower laid down a policy of no new starts — that is, no funds for starting new projects.

Byrns said this policy was a serious error and if followed would result, in a few years in a complete drying up of the water projects program.

In using stepped up funds to the live development program, Byrns said the Arkansas is the last major undeveloped live in the Mississippi Valley and that its development for navigation would be of great benefit to the economy of the area and the nation.

Testifies Woman  
Dies to Knifing

DENVER (AP)—A coroner's pathologist testified yesterday that Mrs. Mary Mills, 26, died of a knife gash in the throat that went as deep as her backbone.

Dr. Henry W. Toll Jr. testified at the murder trial of her husband, Ernest Joseph Mills, 35, he

had a false bottom in it. Nobody would be fooled if they were doing a real search, but it would pass a perfunctory one. I put two guns, both .32s, and the shoulder holster under the false bottom and then packed my clothes. I had a room of typewriter paper in a box. I took out most of the paper and then put my fake Spanish manuscript in and put some of the paper on top of it. Just to help it along slightly, I tossed in three extra cartons of cigarettes. I knew that regulations permitted me to take only one into the country.

Then I took a cab to Idlewild. I checked my bag and picked my seat on the plane. Then I stared idly out at the Pan American counter. Not that I was watching it for any particular reason, but there wasn't anything else to look at and I thought I might as well see what my fellow passengers looked like. There might even be a pretty girl on the flight.

There was. The last time I'd seen her she'd been holding a pastel blue gun pointed right at me. (To Be Continued)

Cites Need for  
More Hospitals

HOT SPRINGS, Ark. (AP)—Arkansas must build 74 million dollars worth of hospital facilities before 1957 to provide for anticipated population increases, the Arkansas Hospital Assn. was told yesterday.

Dr. Frank S. Grover of Memphis, president of the American College of Hospital Administrators, noting that Arkansas now has short 1,000 hospital beds, said an additional 64 million dollars will be required to renovate and maintain present facilities during the next eight years.

Grover said hospital patients can expect revolutionary changes in care and treatment within the next decade. The big problem of the future, he said, will be the ability of patients to pay for the new services.

About 350 hospital and nursing home officials are attending the association's state convention which ends tomorrow.

He had examined Mrs. Mills' body after it was found stuffed into a refrigerator at the Mills home May 22, 1957. She had been dead five days or more, Toll said.

Mills is charged with her death. A neighbor of the couple at the apartment house, William Yeager, testified yesterday he saw Mills go into the apartment building last May 17. Yeager found Mrs. Mills' body May 22.

Earlier yesterday, Asst. Dist. Atty. Marvin Rosenbaum told a jury of 10 men and two women Mills killed his wife "out of premeditated malice."

Arguments for Gas  
Rate Increase

LITTLE ROCK (AP)—Opposing attorneys presented oral arguments before the Arkansas Supreme Court yesterday in the Fort Smith Gas Corp. rate increase appeal.

The state Public Service Commission a year ago granted the utility a \$17,322 annual increase in its rates to industrial customers.

Harding Glass Co. of Fort Smith and other large users appealed to the Supreme Court, where the increase was upheld, and then to the Supreme Court.

The high court yesterday took

Ike's Mother-in-Law  
Observes Birthday

DENVER (AP)—Mrs. Elvera Doud, President Eisenhower's mother-in-law, observed her 80th birthday Tuesday. A quiet celebration with her two daughters, Mrs. Mamie Eisenhower and Mrs. Gordon Moore, was planned at the

case under submission and a decision could be handed down next Monday. But an early ruling is not expected because of the voluminous record in the case.

Fort Smith Gas is owned by W. R. Stephens of Little Rock, president and board chairman of Arkansas Louisiana Gas Co.

Doud residence on Lafayette Street.

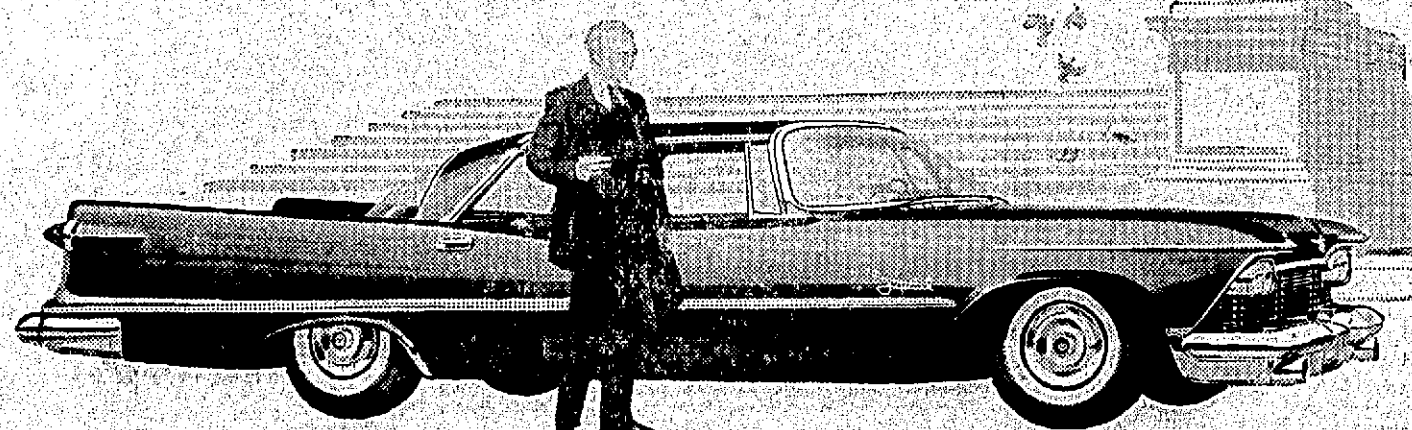

Mrs. Doud has been in ill health in recent months. The Secret Service said Mrs. Eisenhower denied a request by news photographers for a picture of Mrs. Doud with her daughters.

It was reported Mrs. Eisenhower and her sister will leave Thursday for Washington.

## IMPERIAL

## The Judge handed himself a decision

For over a generation the Judge drove the same fine car. It was as much a part of Memorial Square as the Courthouse clock. But then, along came Imperial for '58.

The Judge examined the evidence. Ran his hand along the curving side windows and saw how they meet the roof in a graceful arc. Walked deliberately around this stunning thing until he knew each surface and line was there for a purpose. He drove it. Noticed how it cornered flat and true. Smiled as

he imagined how his lady would respond to the well-bred interior. He marveled at the new Auto-Pilot and how it protected him from speeding... or held speed steady while his right foot rested. Then he deliberated in his chambers... and reached a decision. Today, a dark shimmering green Imperial occupies the Judge's same reserved Space 2 over on Memorial Square. And the Mayor seems a little miffed.

### New Dodge Two-Tone

A unique new two-tone paint treatment has been added to the 1958 line of Dodge passenger cars. Available on all models except the Coronet convertible, the "saddle" combination features a continuous chrome strip running from headlight to taillight, just below the belt line. The roof and lower body are painted one color; the hood, trunk deck and fins in a harmonizing or contrasting shade. The new Dodge dealer in Hope is Nunn-Pentecost Motor Co.

### Dodge Convertible Restyled

Dodge Custom Royal convertible interiors are available in six color combinations for 1958: blue, green, black and ivory, black and red, beige and gold and ivory. Distinctive new door panel designs and deep-napped floor carpets harmonize in style and color. Nunn-Pentecost Motor Co. in Hope is the new Dodge Dealer.

### New Dodge Dealership Opens Here

Appointment of Nunn-Pentecost Motor Company to a new Dodge dealership here was announced today in Detroit by L. F. Desmond, vice president in charge of sales for Dodge Division of Chrysler Corp. Mr. Nunn and Mr. Pentecost, said the new firm will hold open house ceremonies on Thursday, May 14, at its showroom located at 901 E. Third St.

All local residents have been invited to attend the celebration. "We are very proud to present the Sweet Wing 1958 Dodge to our community," the owners said. Public acceptance of the 1957 Dodge can honestly be called overwhelming, and I'm sure the new models will win even greater approval from the local automobile buying public.

The dealers pointed out such features as push-button transmission controls, torsion bar front suspension and advanced wedge-shape styling as major influences in acceptance of Dodge cars.

"The 1958 models reflect many new advances in performance, safety and economy as well," they added.

The new dealership will have a complete service department in addition to its showroom and display facilities.

Some 250 troops in battle dress and police were posted in a three-block radius around the hilltop embassy.

WASHINGTON, May 14 — President Eisenhower said today that violence against Vice President Nixon in South America appears to reflect a pattern of Communist inspiration and exploitation.

But, he told a news conference, he believes economic troubles are partly responsible for the anti-American demonstrations in such countries as Venezuela and Peru.

Eisenhower said Communist inspiration seems to be behind the demonstrations in some other parts of the world, but added that the unrest in French Algeria may be caused by something else.

Eisenhower spoke in reports to a request for his assignment of the current wave of anti-American demonstrations in South America—particularly what has happened to Nixon and his party in Venezuela and Peru.

A reporter asked whether the President saw any pattern of Communist inspiration or whether

### Dodge Grille New For '58

Coming toward you, or going away, 1958 Dodge passenger cars reveal the distinctive styling changes in the line this year. Dual headlights and a cross-hatched, stainless steel grille design keynote the new front end treatment. New two-tone paint combinations, and new treatments of chrome and trim are apparent in the fender fins. The new Dodge car and truck dealer in Hope is Nunn-Pentecost Motor Co., now in their new location at 901 E. Third street.

### Man Jailed in Rape-Slaying

SPRINGFIELD, Ill. (AP) — Police

Tuesday arrested Joseph Nasalski, 32, alias Tony Noddy, on a murder charge in the rape-slaying of 16-year-old Mary Jane Hunselmann.

The body of the girl, strangled with her own stocking, was found April 27 in a roadside ditch north of the state fairgrounds.

Nasalski was employed as a cook at the restaurant where the Hunselmann girl worked part time. Nasalski was held without bail.

## Hour Is Near for 28 Major Loop Players

By ED CORRIGAN  
Associated Press Sports Writer

The witching hour for some 28 major league baseball players comes at midnight tonight.

At that time, they'll be transformed into minor leaguers or they'll have no jobs at all.

This is cutdown day and by the time the clock strikes midnight all 16 major league clubs must get within the 25 player limit. They are permitted to carry 30 players for the first month of the season. The 25-player limit, however, doesn't apply to those on the service roll who have just returned from the armed forces.

Only one team, the Baltimore Orioles, is down to size. All the others must do some trimming.

At last count, there were 15 excess players in the National

League and 13 in the American League.

Most of the interest, of course, concerns those who will get the ax on the world champion Milwaukee Braves and the American League champion New York Yankees.

The Braves must cut three and the Yankees must cut four. The Braves must cut three and the Yankees must cut four. The Braves must cut three and the Yankees must cut four.

The third man to be cut could be outfielder Harry Hanebrink, who has been filling in for the injured Wes Covington and Bob Hazle. But Covington is back and Hazle is about ready again.

Also slated to be chopped is young infielder Fritz Brackbill, who has been retained only because of injuries to Tony Kubek and Jerry Lumpe. He's a corner, but the brass decided he'd learn more playing regularly than sitting on the bench.

Bill Skowron, who has a torn back muscle, no doubt will be placed on the disabled list. That means pitcher Al Ciolek will get a stay of execution until Skowron comes around.

### Bell, Michael to Captain Porkers

FAYETTEVILLE, Ark. (AP)—End Richard Bell and Michael of Little Rock and the Court House in the City of Hope in Hempstead County, Arkansas, made and entered on the 17th day of April, 1958, in a certain case then pending therein wherein Nona C. Baker was plaintiff and Rufus Wolff, et al., were defendants, the undersigned, as Commissioner of said court, will offer for sale at public vendue to the highest bidder, at the front door or entrance to the Court House in the City of Hope in Hempstead County, Arkansas, within the hours for judicial sales, on Saturday, the 24th day of May, 1958, the following described real estate situated in Hempstead County, Arkansas, to-wit:

Begin at the northwest corner of what is known as the Waddell lot in the Southwest Quarter of Section Nine (9), Township Nine (9) South, Range Twenty-six (26) West, at a post oak tree, run thence south 90 yards following the east side of the public road, thence run east 160 yards, run thence north 90 yards, run thence west back to the point of beginning, containing 3 acres, more or less, and being the parcel of land on which is located a school building formerly used for school purposes prior to the year 1956.

TERMS OF SALE: On a credit of three months, the purchaser being required to execute bond as required by law and the decree of said court in said cause, with approved surety thereon, bearing interest at the rate of six per cent per annum from date of sale until paid, and a lien being retained on the premises sold to secure the due payment of the purchase money.

## Softball Loop Organizes Four Teams

A meeting was held last night at the Youth Center to make final arrangements for organizing a city softball league. Around 40 prospective players turned out.

These players were pooled and selected by team managers. The players listed on the team rosters are those that were present at the meeting or those that had previously turned in their names to someone. Anyone not listed on a team who wants to play should contact one of the team managers immediately. New players will be pooled and selected in the same manner.

Three of these teams need sponsors. No sponsors had been contacted before last night's meeting since the proper amount of enthusiasm should be shown by players before anyone is asked to sponsor a team. The interest is definitely present, the teams are organized and they need sponsors.

The fee for sponsoring a team will be \$65.00 per team. This money will be used to purchase balls, bats, catcher's equipment, etc. Each player will be responsible for buying his own t-shirt. These shirts will be ordered with the sponsors name printed on the shirt and will be made available to players at a very small fee.

Team rosters are as follows:

Mgr. L. B. Tooley — Ed Ogran, A. J. Rhodes, Joe Barrentine, W. H. Gunter, Ray Duke, Bill Hair, Bobby Kidd, Joe Hankins, Larry Garrett, Cecil Delaney, John Pierce, Gene Bruick, Wendell Powell and Howard Pritchard.

Mgr. Roy Taylor — Delton Mcfield, Gordon Beasley, Willie Cook, Don Booth, Bobby Erwin, Sonny Griffin, Eddie King, Perry Purdie, Larry Vaughn, L. D. Martin, Homer Beyerly and Charles Caston.

Mgr. Jamie Russell — Billy Walton, Wallace Martin, Phil Jones, Ken Jones, Jerry Walton, Jerome Walton, John Ling, Jerry Fant, Winston Duke, Jerry Chambless, Jimmy Martin, Harvey Fullerton, Larry Cox and James Cox.

Mgr. Charles Gough — Don Sevier, David Watkins, Bill Gunter, Johnny Graves, James Gilbert, Byron Smiley, A. C. Sinyard, Dean England, Johnny Turner, Terrell Martin, Joe Patterson, Jerry Owens and Cary Castle.

### To Our Friends and Customers:

We wish to personally extend an invitation to each of you to visit us in our new business location. We are proud of our new establishment for many reasons. We believe you will all agree it is an attractive business location. However, there are many other reasons we are so proud of it.

One of the principal reasons for our pride is that now we are in a position to render a higher quality service to our customers as well as the opportunity to offer a variety of services which we could not offer to the public in the past because of a lack of space and facilities.

Centered around our attractive showroom where you can conveniently view our display of Imperials, Chryslers, Dodges, Plymouths and Dodge Trucks, we offer a variety of clean late model Used Cars for which you can shop on our spacious paved Used Car lot.

In our front office personnel staff are Miss Jackie Nell Cleaver, receptionist and bookkeeper and Harry Phillips, salesman with over 12 years experience in the automobile business.

In our huge new maintenance and repair shop, you will continue to receive the courteous, friendly and efficient services of Edward Schooley, Parts and Service manager, Mechanics Herbert Dodson and Joe Harmon and wash and lubricating specialists William Smith and James Postle. We know you will enjoy the easy access and repair space we can now offer.

Just off the street we also offer a complete service station operated and managed by Clayton McDowell.

Let us urge you to visit us and allow yourself to receive a view of a complete and modern Automobile Sales and Service Institution.

We and our staff will enjoy serving you and we are confident you will appreciate the expanded services and increased efficiency which our new location affords.

Sincerely,

**Claud and Newt**
